RE: Support for Beat Museum

To whom it may concern,

North Beach Neighbors (NBN) is a San Francisco non-profit organization comprised of North Beach residents, local businesses, and civic leaders. Since 1981, we have advocated on behalf of neighbors to create a vibrant, inclusive neighborhood.

With these goals in mind, we write to you today to express our support for the Beat Museum's intention to update and improve their existing space at [540 Broadway Street](#). A long time fixture of North Beach, we appreciate the museum's effort to further sustain itself with the addition of the proposed Beat Cafe which includes sidewalk seating. We believe this sort of pedestrian activation at the street front is desirable and benefits the Broadway corridor.

Director, Jerry Cimino's proactive outreach to the community is to be commended and we look forward to working with him as plans for the project develop further.
